Happy Spring

More Bits and Pieces

Please pick up after your dog to keep our neighborhood looking great and clean this spring. You can carry extra bags and pick up any extras left from the winter.

Paving will occur this summer sometime between July 1st and September 30th. At this time we do not know which company will be doing the paving. We have been informed that that work will be out for bid.

The signage and usage of the Tennis/Pickleball courts will be changing. According to our covenants the courts are open to Wylie Creek residents, their guests and invitees. New signage as well as a coded lock will be placed on the courts this spring. The code for April through the July's newsletter will be 1243. A new code will be published in July's newsletter. Please keep the newsletter to remember this code. The code will not be published online.
