Welcome to new home owners in Wylie Creek!

Kaeryn Lewis
Steven and Juddee Whyte
Joseph McNeil
Mitch and Alixa Davis
Brian and Diane Zell

Our Pond...

The pond is a continuing project for the HOA. Power has been installed for the pond project approved by the membership. Further work on the pond project will begin in the spring of 2023. This is the best time to start on that portion of the project that was approved by the HOA.

Snow Plowing and Parked Cars...

As we approach winter, please do not leave parked cars, parked trailers, or even large rocks in the road right-of-way (approximately 15 feet either side of our roads). Things left here make snow plowing difficult and present liability issues for you.

Thank you to our board member Cyndy O'Conner for repainting the fading yellow in our Wylie Creek road entrance signs.

Wylie Creek Estates Fall 2022

Meeting Dates

All meetings are at 700PM, the second Wednesday of each month and are available on Zoom. If you wish to attend via zoom or in person, please contact Dale Olson dnaolson9151@gmail.com

Upcoming dates

October 12th, November 9th,
December 14th and January 11th.

Septic Tank Pumping...

Homeowners are reminded to make sure they pump their septic tanks. Our covenants state that septic tanks need to be pumped at least every four years. If you can't remember when it was pumped get a pumping scheduled.

Weeds And Lawn Care...

Please take care of the weeds that board the roadways by your home. This helps our neighborhood by reducing weeds in general. Please also attend to the leaves that will be falling soon in our yards.

Barry Court Culvert Replacement Update...

Morrison and Maierle are working to secure a contractor for the culvert replacement. At the present time they do not have a contractor committed to the project. Hopefully they will find one soon. If they are not able to secure a contractor, they will patch the hole for winter and seek a contractor in the spring.

Last But Not Least...

Wylie Creek was named for Mary Wylie, a member of the first tourist party to cross Yellowstone Park in 1880 via covered wagon. She had followed her husband William Wallace Wylie to Montana from Iowa in 1879 with her children after William took the position of Bozeman's first school superintendent.
