Thanks...

Thanks to all the neighbors who have brightened our lives with their Christmas lights.

A special thanks to all the neighbors who clear the snow from our mailboxes. It makes it easier for everyone to access their mail.

Please make sure any sheds are painted the same color as your home.

Our monthly board meetings are the second Wednesday of every month. Due to the annual meeting on February 21st, the February meeting will be February 7th. Our meetings are via zoom or in person and 7:00pm

When it does snow again...

Please do not park on the roadways when the roads need plowing. Flags and markers placed on the edge of the roadway may be hit by snowplows. These flags and markers are the responsibility of the of the individual homeowner. Plows will unavoidably place snow at the entrance to your driveways.

When clearing your driveways, please do not leave snow in the roadway as that narrows the roadway and makes plowing problematic. Please also do not place your snow removal on your neighbor's property.

Please leave the markers by the paths in place. They make the task of volunteer plowing the paths much easier.

Last but not least, cul-de-sacs are meant for cars to turn around in, not for parking!

Happy New Year to all! Here's to 2024!

Wylie Creek Estates HOA Newsletter

The annual Wylie Creek Homeowners Association meeting will occur **Wednesday, February 21, 2024, at 7:15pm**. This meeting will be via Zoom. Please watch your mail for proxy information and instructions for “zooming” in with us.

The Board would like your input at the annual meeting. Please do not hesitate to call or email the Board about any issue you would like addressed at the meeting.

The pump in wellhouse #1 (on Fireside) failed after 27 years of service on November 22, 2023. Due to the planning and the work of Pete Adams, Potts Drilling, and the HOA Board the well was back in use by December 7th. There was no interruption of service. Many thanks to Pete Adams and Potts Drilling. The total cost is approximately \$25,000, which the HOA had funds allocated for this eventually.

There will be a small increase in dues of \$8 per quarter to replenish the funds in our water account.
