### Our Floating Islands

If a member of the Wylie Creek community has a small boat or canoe that the HOA could use 2-3 times during the summer to check or maintain the floating islands in our pond - please contact a board member or leave a message. All contact information for Board members is on our website...

### Spring in our neighborhood.

Please keep your property maintained and weed free to the edge of the road this summer. It helps keep our neighborhood looking great!

Please pick up after your dog to keep our neighborhood looking clean this spring. Dog walkers - it would be great if you would carry extra bags and pick up any extras left over from winter. Thanks for the help!

And finally, remember our speed limit is 25mph in the neighborhood. Lots of people are out walking dogs, walking with their kids, riding bikes etc. So slow down. And remember no motorized vehicles are allowed on our trails - both paved and dirt/gravel.

### RID 2618 Upcoming and Future Scheduled Work

The Board has received a letter from Morrison-Maierle regarding upcoming work this year with regards to our RID (Road Improvement District) 2618.

Please check our website and Facebook site for more information. **Have a wonderful spring!**
